

## COMMUNITY INFORMATION SESSIONS

---

### ENVIRONMENT EFFECTS STATEMENT

---

Melbourne Metro is being assessed through an **Environment Effects Statement** (EES) process. The EES is an integrated evaluation of the potential environmental, social, economic and planning aspects of the project, and the approach to managing the impacts.

Come along to an information session to learn more about the project, speak with the technical experts who wrote the EES, learn more about how the new tunnels will be built and view concept designs.
