UPDATE: Over 40 individual objections have been lodged with council: from MSYRG members and other residents

Also NOW lodged is a Group Objection from MSYRG and nine residents (a Town planner was engaged to prepare this Objection at cost to nine residents and MSYRG):

[2018 01 MSYRG St Arnauds OBJECTION.docx](#)

COUNCIL IS BEING URGED TO REJECT THE APPLICATION

That objection by MSYRG & nine residents can also be seen on the MSYRG website:

www.msyrg.com.au

The nine residents and MSYRG have been advised by the town planner who prepared the group objection that there are STRONG GROUNDS FOR OPPOSITION TO THE PERMIT

Further steps are now being taken under the guidance of the town planner and MSYRG to build that opposition but if we are to succeed **further financial contributions** and support will be required

MSYRG & and nine residents cannot alone carry the ongoing costs for
this objection to the Planning Permit

It is time, particularly for the residents of Park Street, to protect Park Street heritage.

We need **40 plus plus residents** to share the cost and there are more than that number of residents in Park Street. Also well over 40 members advised MSYRG via email of your interest in being involved in making this objection

If you (and non-member friends) wish to contribute money please BSB your contribution into the MSYRG account:

BSB: 013 423, Account: 312200191

*include your name in this transfer

* ALSO send details (date of transfer, name, address, email and phone number to secretary@msyrg.com.au

* MSYRG will then, via email, be able to accept/acknowledge your contribution

* MSYRG will keep in contact with you about how the Objection proceeds

**IF WE DO NOT RAISE THE MONEY REQUIRED TO CONTINUE THIS OBJECTION
ALL MONIES WILL BE RETURNED
AND THE GROUP OBJECTION WILL NOT PROCEED**

This is an outrageous attack on Park Street and our South Yarra heritage.

YOUR HELP & SUPPORT IS REQUIRED.
