THEFTS OF MAIL AND ATTEMPTED BURGLARIES IN PARK ST

A member has alerted us to an attempted burglary in Park st. Her surveillance camera managed to catch an image of the person involved and is attached. The following is an account of the incident that occurred on Park st on Saturday 7 July 2018 at 12.30am

"An offender came onto my verandah and stole two parcels which had been delivered by Australia Post and left concealed behind a pot plant. The offender looked through windows and tried all the door and window handles.

Surveillance footage of the incident appears to show the offender then attempting to locate a key by opening the electrical box, mail box, service cupboards, rummaging through the pot plants, and overturning rocks in the garden for about 15 minutes before eventually leaving. The matter has been reported to the police and good images of the offender were taken as per the attachment."

As well, another resident in Park St reported an attempted break in on the same day between 10am-2.00pm. The side panels of the door were smashed in an attempt to gain entry. A very brazen act considering it was in the middle of the day and in full view of anyone walking past.

There has also been suspicious activity reported in other streets in the vicinity so please let your neighbours know and report any suspicious activity to the police.
