As Reported in several Bulletins the City of Melbourne is undertaking a review of South Yarra's heritage – the first since 1985. Details are outlined in the Participate Melbourne platform. MSYRG strongly supports this review as it will make for better heritage decision-making in South Yarra

Last week there were several online information sessions that residents enrolled to participate in.

This Bulletin is to inform you that on this link you can now access the information session recording which includes a presentation from Context consultants and the CoM heritage strategy officer

ALSO

Residents still have the opportunity to have a say about your house, your street, your suburb. Share your stories and knowledge. Who knows South Yarra better than us! It can be buildings, parks, trees, or art.

This opportunity closes September 18th
