

MELBOURNE SOUTH YARRA RESIDENTS GROUP INC.

Established by the residents of South Yarra in 1969

MMRA Bulletin Update

REPORT OF MEETING WITH METRO RAIL

28th October 2020

Trucks

- Landtrac is now doing most of the work.
- They are all fitted with GPS and are constantly monitored for location, route, speed etc.
- If there is a problem phone 1800 105 105.

Tunneling

- Both tunnels have reached the South Yarra destination.
- Completed 3.4 km of tunnel.
- They will now be disassembled and brought back to Anzac station to start tunneling towards the city.
- Six access cross tunnels between the two train tunnels between St Kilda Rd and South Yarra will now be constructed.
- The first TBM will start tunneling towards the city in December and the second in January.
- Tunneling to the city will be completed by about late June 2021.
- All tunneling material will be returned and processed at Edmund Herring Oval. The routes used by trucks removing material from the oval will be the same as to date.

Station design.

- Nothing to report until January.

Chiller Containers.

- Nothing to report until January.

Anzac Station.

- Construction continues including the Shrine entrance.
