## **NOISY VEHICLES ON OUR STREETS; HOW TO REPORT THEM TO POLICE**

We have all been experiencing lately high performance cars and motor cycles deliberately accelerating in our streets to make the greatest possible noise – to show off no doubt.

In addition to the noise the speed is dangerous and these selfish and dangerous individuals should be stopped.

To get the police here in time to stop them is difficult but the Carlton Residents Association has shared with us their recommendations.....

**CALL VICTORIA POLICE on 8379 0800 then menu item 2**

**You will be given the choice of**

**(a) speaking with Highway Patrol or**

**(b) registering the task with our local Police Stations, open 24 hours**

**Prahran Police Station, 95205200**

**Southbank Police Station 8635 0900**

**Several calls from different people will count**

**It is always useful to record the number plate/colour/type of vehicle**
