### Updates from CoM re South Yarra Neighbourhood Plan

CoM Consultation pop-ups are upcoming for MSYRG members and others in the community may be interested in attending

The pop-ups are planned as a great opportunity for residents to talk to CoM directly about their thoughts on the neighborhoods priorities and their ideas in more depth.

### DATES ARE

- Wednesday **6 April**, 3pm – 6pm at the **South Yarra Senior Citizens Centre** – Fawkner Park (this pop-up will be in conjunction with the FOGO\* caddy pick-up station for apartment residents)
- Friday **8 April**, 3pm – 5pm at the **Domain Road shopping precinct**
- Sunday **10 April**, 10.30am – 12pm at **Fawkner Park, near the Northern Pavilion**

NB: these meetings are part of the CoM new initiative 'The Neighbourhood Team' launched in South Yarra a few weeks ago ( Bulletin sent 5th March). Its aim is to drive a more meaningful connection with, and a better understanding of South Yarra. You can also participate online via

NB: \* **What is FOGO?**: CoM is part of the Food Organics Garden Organics (FOGO) waste project, through which apartment / multi-unit residents can pick up a free kitchen bench caddy to collect their FOGO waste in to go into the green bins rather than the general waste bins. This is an initiative to reduce food organics from going

into landfill and divert them to composting facilities and other more environmentally sustainable waste management systems. Many South Yarra residents already have their kitchen caddy but this is an opportunity to collect one if you missed out the first time.
