VCAT Reference P804/2022

MSYRG has received notice today Monday 17<sup>th</sup> October 2022 from VCAT of an Application for Leave to Withdraw from Trennery Property Group, the Applicant. As background, today was the day the Group had to submit amended plans to VCAT.

MSYRG is now requesting Hansen Partnership, the town planners we have been using, to inform VCAT that MSYRG has no objection to the request.

MSYRG anticipates VCAT will grant the application to allow the applicant to withdraw in the next week or so. Whilst we have no information as to what the applicant may do next, it seems the application for the permit for a Soho Club is at an end. It is likely the very strong objections lodged by MSYRG, and the many other objectors had a big impact on the outcome and shows the strength that local opposition can generate to stop inappropriate development. We thank those who pledged contributions to assist MSYRG in its objection following our appeal last week. After it is confirmed that the application has been withdrawn, we shall contact the pledgers and release them from their pledges.

Congratulations to all those involved in the opposition to this development proposal.
