#### **City of Melbourne community engagement sessions for the Fair Access policy.**

The CoM is exploring ways to improve opportunities for women, girls, and others to participate in community sport and recreation. Have your say by 13 October.

Currently, women and girls across Victoria do not have equal access to community sport and recreation, including in the City of Melbourne. We want to increase opportunities and the participation rates of women, girls, and others.

CoM has four sessions scheduled from this week onwards and they encourage you to book into a session: they are hoping to have participants from all neighbourhoods included in the focus groups:

- 2pm to 3.30pm, Wednesday 4 October, women and girls. [Book session](#)
- 4pm to 5.30pm, Thursday 5 October, Aboriginal and Torres Strait Islanders. [Book session](#)
- 2.30pm to 4pm, Friday 6 October, men and boys. [Book session](#)
- 6.30pm to 8pm, Tuesday 10 October, members of the LGBTIQ+. [Book session](#)

As an incentive, all participants will receive a \$50 gift voucher in appreciation of their time and attendance.

The sessions can be booked by clicking on the above links through accessing the Participate Melbourne page ([Fair Access | Participate Melbourne](#))
