Pasley Street Speed Limit Change

Pasley Street rollout 40K speed limit - This change is part of our commitment to creating safer, more liveable streets for everyone; whether they walk, ride, drive or catch public transport.

Under our Transport Strategy 2030 [1], we're working closely with the Department of Transport and Planning to implement consistent 40km/h speed limits across all local roads in inner Melbourne and neighbouring suburbs. A flier drop has occurred this week into letterboxes and residents will also see corflutes around Pasley St.
